Guarantee Payment Solutions

Check Guarantee

CrossCheck's Check Guarantee services protect merchants from incurring the financial loss of accepting bad, bounced or returned checks for reasons including insufficient funds (NSF), closed accounts, and stop payment orders. These services allow merchants to accept more checks and help increase sales while saving time and money.

Key Features:

- ✓ **Standard Check Guarantee**
Merchant requests check approval at point of sale via phone, terminal or the CrossCheck web portal. If check is returned unpaid, CrossCheck will reimburse the merchant, ensuring payment for goods and services.
- ✓ **Electronic Check Processing with Guarantee**
Offer flexible payment options for large purchases. With Multiple Check, buyers can spread payments over time, while you receive guaranteed funds.
- ✓ **Seamless Payment Guarantee**
With CrossCheck's Check Guarantee service, there is no need to submit a claim as returned checks are sent to CrossCheck, which will cover the funds and make sure merchants are paid for goods and services.
