## Remote Deposit Capture

CrossCheck's Remote Deposit Capture (RDC) is a secure electronic check processing solution that allows businesses to deposit checks directly into their accounts without leaving the office. RDC eliminates the need for physical bank visits, reduces operational costs, and ensures timely funding.

### Key Benefits:

#### Increased Efficiency and Time Savings

- **Eliminate Bank Visits:** Deposit checks from your office 24/7 —no need to drive to the bank. Save valuable time and reduce the risk of missed or late deposits.
- **Faster Access to Funds:** Funds are usually available within 48-72 hours, improving cash flow and ensuring your business has timely access to money.
- **Round-the-Clock Processing:** RDC allows you to process deposits and review transaction reports anytime, offering flexibility and real-time access to your financial data.

#### Secure Transactions

RDC utilizes state-of-the-art encryption technology to securely transmit check images, ensuring your sensitive financial data remains protected.

#### Simplified Operations

- **No Extra Equipment Needed:** RDC works seamlessly with your existing point-of-sale (POS) systems. No need to purchase additional hardware—CrossCheck makes the process simple and affordable.
- **Consolidated Reporting:** Gain insight into your check processing activity with easy-to-read reports that consolidate deposit data, making accounting and reconciliation more efficient.
