ACH Pay-by-Link with Guarantee

CrossCheck's ACH Pay-by-Link with guarantee is a simple and convenient way to accept payments. Simply share a secure payment link, and your customer can easily checkout from anywhere. Our solution takes the risk out of accepting payments while improving the customer experience and driving revenue.

Key Features:

- ✓ Easy to Use**

ACH Pay-by-Link is easy to use for both customer and merchant. Both customer and merchant can also avoid prohibitive credit card fees, which can be extensive in several industries.
- ✓ Tokenization**

Return business is crucial for many industries. ACH Pay-by-Link offers tokenization, which means the next time a customer brings a car for repairs, or a dog for veterinary care, the customer's relevant information can be easily accessed, saving time for the next transaction.
- ✓ Competitive Pricing**

CrossCheck's fees for ACH transactions are lower than the standard credit card fees, helping merchants seal the deal.
- ✓ Who Uses ACH Pay-by-Link?**

ACH Pay-by-Link is ideal for many industries, including auto dealerships, auto aftermarket shops, building supply, home furnishings and heavy equipment, as well as medical, dental and veterinary offices.
