

CROSSCHECK

Guarantee Payment Solutions

Check on Delivery

Our Check on Delivery (COD) premium was designed to increase sales at businesses such as auto parts stores, building supply centers, and other establishments that deliver products.

Key Features:

- ✓ **Payment Before Delivery**
With CrossCheck's COD service, merchants can pre-authorize and approve check payments prior to making any deliveries.
- ✓ **Guaranteed Payment**
If paired with CrossCheck's Check Guarantee service, merchants can feel safe in the knowledge that payment for the delivery of goods will be covered. In the event that a check is returned, CrossCheck will cover the amount of the check.
- ✓ **Flexibility**
In the event that an order amount changes mid-delivery, a merchant will have the flexibility to easily update and change the transaction cost in real time.
