

CROSSCHECK

Guarantee Payment Solutions

Plus Sales

Plus Sales is one of CrossCheck's most innovative products. It is a stand-alone check guarantee program that makes every sale count by turning checks declined by other payment processing providers into approved transactions. CrossCheck consistently approves and guarantees more check payments than other providers and Plus Sales is the ultimate backup plan.

How Does it Work?

When checks are declined by existing check processing providers, merchants simply run the checks through the CrossCheck Plus Sales authorization process for approval.

Do I Need Additional Equipment?

Plus Sales does not require ANY additional equipment. Merchants can process checks easily through our 24/7 IVR line or merchant portal, receiving an approval number in just seconds.

Successful Transaction:

Sales transactions are completed instantly, sparing merchants the awkwardness of declining a customer's check. If an approved check is returned unpaid by the bank, merchants simply forward it to CrossCheck for processing and reimbursement.
